Dear Parent(s) / Guardian(s):

FSP welcomes you and your children to the upcoming 2022-23 school year! We are excited to offer high-quality, freshly prepared meals that are kid-friendly and reasonably priced to your family. Our menus offer good nutrition and great taste that parents expect and children love.

Following are some of the highlights and expectations for the upcoming school year:

- Breakfast, lunch, and snack menus will be posted monthly on our website, [www.fspro.com](http://www.fspro.com)
- Each school has the option to serve any combination of breakfast, lunch and/or afternoon snacks.
- Fan favorites remain on the menu along with new items introduced throughout the year
- Meals consist of choice ingredients such as lean proteins, fresh fruits and vegetables and whole grain rich breads, pastas and cereals with reduced sweeteners, as well as low-fat milk choices with no antibiotics or artificial growth hormones
- The government has eliminated the “free meals to all children” program for school year 2022-23. Nevertheless, it is possible that you still may qualify for free or reduced-priced meals. FSP will distribute Applications for Free and Reduced-priced meals to your school for you to complete and submit to learn if you do. We strongly encourage all families to apply.
- Families who submitted an application for the 2021-22 school year and qualified for free or reduced-priced meals will continue with those benefits until the earlier of September 30, 2022, or the date of the new application.
- If your family does not qualify for free meals, payments must be made at the time of order. The 2022-23 meal prices are as follows:

	<u>Lunch</u>	<u>Breakfast</u>	<u>Snack</u>
Full Price Student	\$ 4.00	\$ 2.20	\$ 1.00
Adult	\$ 4.50	\$ 2.70	\$ 1.50
Reduced-Price	\$ 0.40	\$ 0.30	\$ 0.15
<i>Extra Milk = \$0.50</i>			

FSP is pleased to be your partner in education and nutrition. We appreciate the opportunity to be of service to you and your children.

Sincerely,

Brad Black  
Director
