St. Therese Runner Wins Individual Honors In Saint Ignatius Invitational!!

On Saturday, April 30th, the St. Therese Track Team participated in the St. Ignatius Invitational! With rain steadily falling and temperatures in the 40s, approximately 20 St. Therese runners competed in a variety of track events ranging from sprints, relays, and middle distance events. The whole team showed great competitiveness and resilience while competing in these harsh conditions while many others were unable to handle the conditions with the same grit and toughness. The highlight of the meet was 6th grader **David Li** earning 2nd place in the 100 Meter Dash and 3rd place in the 400 Meter Run. David's placing is the highest individual placing a St. Therese student has ever achieved at this invitational and bodes well for the CYO City Track and Field Championships being held on May 21st at Loyola Academy. All of the competitors (and parents) are to be highly commended for participating on a day when staying inside would have been preferable. The great effort and accolades received from this meet continue the winning theme that the St. Therese Athletic Program has exhibited during the 2015-2016 school year.

Mr. Chrusciel Attends a Football Coaching Clinic at the University of Illinois

Mr. Chrusciel participated in the clinic in order to hear presentations from various coaches around the state on innovations in coaching football.

David Li (above) is leading in the 400 meter run.

After the University of Illinois spring practice # 2 on Saturday, April 2, Head Coach Lovie Smith was available to meet up with media and coaches who attended the UI Football Coaching Clinic. The Chrusciel Family was honored to make Coach Smith's acquaintance.
