

MEET THE FACULTY & STAFF OF ST. THERESE SCHOOL

Ms. Chen
Pre-Kindergarten Teacher

Favorite thing about St. Therese:
the students and their families

I am excited to: learn from my students because they have the most creative ideas, which gives you a new perspective.

Fun Fact: My future retirement plan is to own a farm with lots of dogs and pigs.

Favorite thing about St. Therese:
Being a part of the preschoolers' learning experience. We work and play hard every day.

I am most excited to: see more smiling faces without masks. It's easier to teach and learn.

Fun fact: I have a turtle! Tommy used to be the preschool classroom pet at SBC.
