August 2024

Dear Parents,

St. Therese is happy to announce the continuation of our After School Care program. Students enrolled in the after school program will be directed to an after school classroom at the end of the school day. Students are strongly encouraged to bring enough snack foods for his/her after school stay. **No school snacks will be provided.**

We thank you in advance for your prompt attention to pick up times. Excessive tardies may result in a per minute charge. All students who are not picked up by student dismissal will be directed to the After School Care program. The parent will automatically be charged for at least the first block. Any student picked up after 6:01 pm will be assessed a late fee determined by the administration.

A new After School Card must be purchased as soon as the present card has used up all the credited hours. After School Care cards may be purchased for \$240 and are non-refundable. Unused time blocks for the current school year may be used in the next school year. Please submit a check to St. Therese School. Your child may NOT attend After School Care unless they have a valid card. Students who are waiting for siblings or are not picked up at dismissal time will be charged a late fee in addition to After School Care time blocks. Parents will be billed on their monthly tuition bill accordingly.

Students are not permitted to “hang around” before or after school anywhere on St. Therese property without teacher and parent permission for a specific reason (e.g., tutoring, project work, dance, etc.). Students on school grounds after student dismissal without a pre-arranged/approved reason for remaining on school grounds will be placed in the After School Care program and parents will be charged accordingly. Non-students are not permitted on school grounds at any time unless they have been registered as official guests in the school office.
